How Can I Verify The Legitimacy Of The UTS/PRS Consultants I'm Planning To Invest In Is An Authorized Fund and Not A Scam?

The Federation of Investment Managers Malaysia (FIMM) is a self-regulatory organisation (SRO) that regulates the marketing and distribution of Unit Trust Schemes (UTS) and Private Retirement Schemes (PRS).

Members of the public are able to ascertain whether individuals they are dealing with, for purposes of investment or contribution into unit trust schemes or private retirement schemes, are registered with FIMM as Consultants. Only individuals registered with FIMM as Consultants are authorised to promote, market and distribute unit trust schemes and private retirement schemes.

Is My Consultant Authorised?

This online verification is intended to facilitate members of the public to ascertain whether individuals they are dealing with, for purposes of investment or contribution into unit trust schemes or private retirement schemes, are registered with FIMM as Consultants. Only individuals registered with FIMM as Consultants are authorised to promote, market and distribute unit trust schemes and private retirement schemes. Members of the public are advised to report to FIMM at 03-7890 4242, or the Securities Commission Malaysia, if they encounter unauthorised individuals promoting, marketing and distributing unit trust schemes or private retirement schemes.
