Disclaimer:

Based on the Malaysian Fund Volatility Report issued by Refinitiv Lipper dated 10 December 2025, the Volatility Factor (VF) for this fund is 0.37 and is classified as "Very Low". "Very Low" includes funds with VF that are between 0 and 4.195. The VF means there is a possibility for the fund in generating an upside return or downside return around this VF. The Volatility Class (VC) is assigned by Lipper based on quintile ranks of VF for qualified funds. VF is subject to monthly revision and VC will be revised every six months. The fund's portfolio may have changed since this date and there is no guarantee that the fund will continue to have the same VF or VC in the future. Presently, only funds launched in the market for at least 36 months will display the VF and its VC. A Product Highlights Sheet ("PHS") highlighting the key features and risks of the fund is available and investors have the right to request for a PHS. Investors are advised to obtain, read and understand the PHS dated 14 August 2023 and the contents of the Replacement Prospectus dated 14 August 2023 and its supplementary(ies) (if any) ("the Prospectus") before investing. The Prospectus has been registered with the Securities Commission Malaysia who takes no responsibility for its contents. Amongst others, investors should consider the fees and charges involved. Investors should also note that the price of units and distributions payable, if any, may go down as well as up. Where a unit split/distribution is declared, investors are advised that following the issue of additional units/distribution, the NAV per unit will be reduced from pre-unit split NAV/cum-distribution NAV to post-unit split NAV/ex-distribution NAV; and where a unit split is declared, investors should be highlighted of the fact that the value of their investment in Ringgit Malaysia will remain unchanged after the distribution of the additional units. Any issue of units to which the Prospectus relates will only be made on receipt of a form of application referred to in the Prospectus. For more details, please call 03-9767 6000 for a copy of the PHS and the Prospectus or collect one from any of our authorised distributors. The Manager wishes to highlight the specific risks of the fund are credit and default risk and interest rate risk. These risks and other general risks are elaborated in the Prospectus. This factsheet is prepared for information purposes only and has not been reviewed by Securities Commission Malaysia. It does not have regard to the specific investment objectives, financial situation and the particular needs of any specific person who may receive it.
